

DIRECTIONS

Always test in a small, inconspicuous area first.

TO REMOVE PET STAINS:

Spray **Chem-Girl's GONE FOR GOOD** directly to stain. Remove excess deposit matter before applying ample amount to penetrate carpet and underlying pad. Let stand for 3-5 minutes. Place towel over treated area, applying pressure blotting to lift stain. Reapply as needed.

FOR HARD TO REMOVE STAINS:

Spray **Chem-Girl's GONE FOR GOOD** directly to stain. Soak stain thoroughly for 3-5 minutes. Lightly scrub area with soft brush to work into stain. Blot area with towel to lift stain. Reapply as needed.

1 GALLON (3.79 L)

INSTANT

GONE FOR GOOD

READY-TO-USE

NATURAL ENZYMES
INSTANTLY DISSOLVES
PET STAINS & ODOR REMOVER

INDUSTRIAL

Chem-Girl's GONE FOR GOOD contains an all natural enzyme that breaks down organic matter, and neutralizes odors from pet stains. Excellent for other organic stains such as: coffee, tea, blood & soft drinks without harming the carpet fibers while leaving a fresh clean scent.

Chem-Girl's GONE FOR GOOD is a ready to use water based cleaner which does not contain harsh cleaning products like caustics or solvents.
