

CAUTION

FIRST AID
IF SWALLOWED: Do NOT induce vomiting.
Get medical attention.

Dispose of contents/container in accordance
with federal, state and local regulations.

PREVENT

Rust Preventative,
Penetrant & Lubricant

Prevent is a permanently soft coating that penetrates, lubricates, dissolves existing rust and prevents the formation of new rust. It has excellent water resistance and can be applied to metal that is exposed to the elements.

DDIRECTIONS:

If the surface is heavily soiled, pre-clean before application. Spray directly onto the surface at low pressure. Re-apply as needed.

NOTE: Do NOT use on electronic control panels or other similar equipment.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS (CAS#): Petroleum Distillates (64742-52-5),
Surfactants (93820-57-6), Petroleum Distillates
(64742-54-7).
