

DIRECTIONS

Always test in a small, inconspicuous area first.

TO REMOVE STAINS FROM CARPET:

Dilute with water to 4:1. Spray solution on the spot to be cleaned. Blot with clean towel. (Light scrubbing may be required). Rinse with water.

ALL MIGHTY also performs well as a pre-treatment before shampooing the carpet with a product like **Chem-Girl's HAPPY CARPET**.

FOR HARD-TO-REMOVE STAINS:

Mix 1 part **ALL MIGHTY** with 1 part hot water (120° F). Spray on the spot to be cleaned. Lightly scrub with a soft brush, blot with clean towel. Rinse with water.

Dilutions will vary depending on condition of carpet.
